On Monday, February 29, 2016, the Town of New Windsor was rocked. Not by an earthquake, not by a tractor trailer hitting the high curb at Main & High Streets. It was rocked by the unexpected passing of Councilman Wayne Blacksten. My report for this edition of the Town newsletter is dedicated to Wayne.

For those who knew Wayne and called him friend, he will be remembered in so many ways. Some will remember Wayne for his love of God, family, friends and community. Most will remember Wayne for his kindness, friendly smile and special laugh. To paraphrase a quote from Will Rodgers, Wayne never met a man he didn't like. Perhaps in Wayne's case, he never met a man that didn't like him.

Let me talk about a few of these things in detail. Wayne's love of community went back 56 years when he was only 15 and he joined the Westminster Municipal Band. Wayne's love of music and dedication to playing in the band for 56 years was admired by his fellow band members. Wayne was an active member of the New Windsor Lions Club for 35 years. He recently received the "Unsung Hero Award" from his fellow Lions Club members. Wayne was always working behind the scenes, making sure things got done.

Wayne was an active member of the New Windsor Fire Company for 45 years, holding positions of President, Vice-President, Board of Directors, Truck Foreman and Chairman of the Grounds Committee to name a few. During those 45 years, Wayne responded to 2,696 fire calls and 527 ambulance calls for a total of 3,223 responses. Along with those responses, Wayne averaged 125 hours of volunteer service annually to the fire company. A true example of volunteerism!

When former Councilman Kevin Null accepted the County Administrator position in Garrett County, a vacancy was created. Wayne stepped up and put his name in for consideration. On September 14, 2015, Wayne was unanimously chosen to fill the vacancy. Although Wayne's time on the council was brief, he made an instant impact on the town. As Chairman of the Public Works committee, Wayne put 110% into his responsibilities. Quickly meeting, and of course, befriending our town workers and learning what they did and what was needed from him. He even rode "shotgun" during snowstorm Jonas for a better understanding of snow plowing.

Wayne's total combined volunteer community service was 136 years. One can only wonder how many people Wayne helped, lives touched and friends made. Wayne was a dedicated and loving husband and father to Darlene and Lynne. A man of strong faith, a true and faithful servant of the Lord. The particulars I will leave private to those who knew Wayne. Cherish those memories.

To my friend Wayne, I hope that not your death, but your life and contributions to mankind are an inspiration to others to step up, get involved, and make a difference in their communities. You will be missed, yet never forgotten.

I shall pass through this world but once. Any good therefore that I can do or any kindness that I can show to any human being, let me do it now. Let me not defer or neglect it, for I shall not pass this way again.
