MAYOR ROOP'S MESSAGE

Music on the Main! What a tremendous successful event! Although the weather did not cooperate, Music on the Main was the talk of the town. It was a great opportunity to showcase our businesses, organizations and churches. We had four bands, several food vendors from local establishments, churches and fire department and many craft vendors. I'm proud to say that I was overwhelmed with the support from the community and the amount of volunteers that stepped forward to help make this new event a tremendous success. Mark your calendars for next year's Music on the Main, Saturday, October 7, 2017.

Dielman Inn Lead Paint Abatement update: I think everyone is extremely pleased with the new appearance of the Dielman Inn. As you know, the Council approved a bid of \$211,000 for the Lead Paint Abatement and painting of the exterior at Dielman Inn. The Town received a \$450,000 grant from the Maryland Department of Housing & Community Development (DHCD) to fund this project. We are working with the DHCD to receive approval to use the remaining funds to continue enhancing the Inn.

The largest portion of the lagoon remediation has been completed. The two lagoons were no longer in operation and needed to be drained and the sludge removed. I will be appointing a task force in early 2017 to come up with ideas for this area. Ball fields, a park with a pond and pavilions have been mentioned as possible future uses of this open space.

Streetscape Project: We continue working with Maryland State Highway Administration (SHA) officials in working out the details of a Memorandum of Understanding. The Council finalized the Town's scope of work and financial plan to fund our responsibilities of the project. We plan to begin the engineering in January, 2017 and have the project ready for bid by the end of 2017. Council, Town Manager and I continue working very closely with SHA to ensure our share of the project is reasonable and does not create a financial hardship to the Town and citizens.

The Church of the Brethren has signed a purchase agreement with Shanghai Yulun Education Group for the "upper campus" of the Brethren Service Center property. The purchaser intends to establish a private school on the property. The agreement was effective on Nov. 14, 2016, but it is anticipated that a sale will not be finalized until spring 2017. We have been communicating with the Church of the Brethren and the Shanghai Yulun Education Group to ensure a smooth transition.

Your work is going to fill a large part of your life, and the only way to be truly satisfied is to do what you believe is great work. And the only way to do great work is to love what you do. If you haven't found it yet, keep looking. Don't settle. As with all matters of the heart, you'll know when you find it.

Free Public Workshop to Help Homeowners with Stormwater Pollution Prevention

The Carroll County Environmental Advisory Council (EAC) is partnering with the Carroll County Water Resource Coordination Council to host a free public workshop on March 18, 2017, in the Great Hall at Carroll Community College to provide homeowners with information on how to prevent stormwater pollution and minimize storm-water runoff from their properties.

Experts will be available to provide helpful materials and answers to individual questions on the topics listed below. Each expert will briefly present on a topic (see webpage for approximate times).

- General Homeowner Best Management Practices
- Lawn Care and Landscape Management
- Septic Maintenance
- Permeable Pavement
- Rain Gardens
- Composting (Yard and Food Waste)
- Reduce, Reuse, Recycle!
- Tree Planting
- Stream Corridor Assessments & Stream Buffer Initiative

Come for the entire time or just drop-in for specific sessions and talk directly to the expert(s).

More details and information on the Homeowners & Stormwater Workshop can be found on the website at <http://ccgovernment.carr.org/ccg/npdes/homeowners/> or by contacting Brenda Dinne @ bdinne@ccg.carr.org or 410-386-2140. No registration is necessary. The workshop will be held in the Great Hall from 10:00 AM to 12:00 PM.

Snow Emergency Routes

The Town Code states parking is prohibited on designated Town Snow Emergency Routes whenever a Snow Emergency has been declared by the State Highway Administration or the Maryland State Police. Parking is prohibited until the Snow Emergency is lifted and the streets are cleared of snow. The parking prohibition applies to all vehicles including towed vehicles such as trailers and campers. Having the streets clear of parked vehicles during snow events allows the Town crews to clear the snow more quickly and is safe for the Town residents and staff.

New Windsor Snow Emergency Routes

Old Town	Atlee Ridge	Blue Ridge
Blue Ridge Ave	Atlee Ridge Road	Clauser Court
Church Street	Jo Apter Place	Graybill Court
College Ave	Kaylan Court	Gullo Road
Lambert Ave	Kelsey Court	Miles Court
Hillside Drive	Overleigh Way	Murphy Court
Main Street	Vista Court	
Maple Ave		
Water Street		

Additional information and updates will be provided on the Town Website and Facebook Page.

Park cars in driveways: Parking cars in the driveway will allow snow plows to clear the snow more quickly, get streets plowed as wide as possible and avoid the possibility of damaging cars.

Shovel snow to the left side of driveway: Shovel snow to the left as you face it from the street. Make sure snow is behind the curb. This will reduce the possibility of the snow plows pushing the snow back into your driveway.

Shovel snow behind the curb: When clearing around your mailbox or car shovel the snow behind the curb. NOT INTO THE STREET. This will prevent the snow plows from pushing the snow back into your driveway or against your car or mailbox.

Clear sidewalks within 24 hours of the end of the snow: Clearing the sidewalks is the responsibility of the property owner. Town code requires the sidewalks to be cleared within 24 hours of the end of the snow.

DON'T FORGET TO BUY YOUR DOG LICENSE!

You can purchase the new 2017 dog license at the Town Hall starting December 1st. You will need your dog's rabies certificate, which will include the rabies tag number and revaccination date. If your dog has been altered you will need to show proof of spay or neuter. Tags cost \$25 if your dog is not altered or \$10 if you are a senior citizen. Altered dog tags are \$5. Starting March 1st, a \$10 late penalty will be charged.
