**MAYOR ROOP'S MESSAGE**

I want to start my report welcoming a new business. Springdale Preparatory School will be a new, a co-educational, boarding school and day school located at what is currently the Brethren Service Center. A college preparatory school with a diverse student population from Maryland counties, other states across the country, and from all over the world, Springdale will offer rigorous academics while equipping all learners with the tools needed to meet all of life's challenges.

Cristina and Bob Hamilton are pleased to be the newest members of New Windsor's business community at 405 High Street. They look forward to making improvements to the property in order to further Bob's interest in restoring classic mahogany boats and renting garage bays on the lower level to store cars, boats or equipment. The plans for the upper level of the property are for office/retail and indoor mini-storage. Bob and Cristina look forward to getting involved in the community and meeting the office/personal storage space needs of New Windsor businesses and residents.

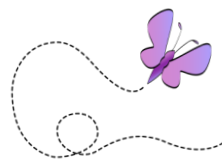

Dielman Inn update: I think everyone is extremely pleased with the new appearance of the Dielman Inn. As you know, the Council approved a bid of \$211,000 for the Lead Paint Abatement and painting of the exterior at Dielman Inn. The Town received a \$450,000 grant from the Maryland Department of Housing & Community Development (DHCD) to fund this project. DHCD approved \$143,716 of the remaining funds for additional work on the exterior of the Inn. The work is scheduled to begin on April 17.

The largest portion of the lagoon remediation has been completed. We recently approved funding for G.E. Fielder & Associates to develop a master plan for the 31 acres which includes the Lions Club ball field, the lagoon area, public works facility, tennis courts and picnic shelter. The study is scheduled to begin April 1. Community input will be welcomed. This master plan will guide the development of public works and recreation facilities that will be very beneficial to the town for many years. Open community meetings will be announced as soon as the dates are scheduled.

Streetscape Project: We will soon begin working on one of our responsibilities of Streetscape. This project will be the lining of sewer lines on High & Main Streets. The lining or cured-in-place pipe (CIPP) system creates a protective, structural pipe inside the existing host pipe system, without digging or destruction to the landscape. Once this is done, we will see a reduction in what is called Inflow and Infiltration or I & I. This is used to describe the ways that groundwater and stormwater enter into our sewer system. This usually happens after a rain in which groundwater gets into the sewer line through cracks in the pipes. Once this project is completed, there will be less water entering the wastewater treatment plant. The schedule for this project is to bid project in March, award the bid in May, and begin work in June. There will be periodic short interruptions in sewer service, we will notify everyone when this is to happen and have a schedule posted on the Town's website when work is scheduled.

*"Volunteering is the ultimate exercise in democracy. You vote in elections once a year, but when you volunteer, you vote every day about the kind of community you want to live in".*

### New Services Available to New Windsor Residents

RSVP Carroll County announces two new services that are now available to help senior and other residents of New Windsor and the surrounding areas.

The Food Pantry at Frederick Scott Key High School, 3825 Bark Hill Road, is now open to all residents **every Tuesday from 3:00-4:00**. Canned goods, bakery items and other pantry staples may be picked up at no cost. It is not necessary to show proof of household income to obtain groceries, and participants are encouraged to take an extra bag of groceries to deliver to a friend or neighbor. To find the Food Pantry, go to the back parking lot of the school and use the entrance near the flagpole.

RSVP Volunteers will deliver groceries to anyone who does not have transportation to get to the school, those over age 55 or those who have physical limitations that make it difficult to carry grocery bags. Call RSVP at 410-386-4646 to request home delivery through **Seniors with Groceries** project.

Transportation assistance is now available to cancer patients who find it difficult to get to their medical appointments. RSVP Volunteers for the American Cancer Society's "Road to Recovery Program" will pick up patients at their home, and provide transportation at no cost to treatment appointments in the county. Call the American Cancer Society at 410-781-6909 to request transportation assistance.

**RSVP** stands for Retired and Senior Volunteer Program, which is a branch of the Senior Corps, a federally supported program through the same agency which administers AmeriCorps and Vista. The program recruits volunteers age 55+ to provide needed services in Carroll County through established non-profits.

RSVP volunteers serve with Meals and Wheels, health and wellness partnerships, soup kitchens, and food pantries to address food insecurity for older, home-bound residents. Many seniors must make the choice between eating healthy food and paying rent or buying critically needed medicine, and RSVP volunteers serve in programs that help seniors to live better, more healthy lives.

RSVP Carroll County addresses the concerns of the community by harnessing the power, wisdom and experience of seniors age 55+. A few minutes or hours per week can make a significant difference in the lives of others.

If you would like to volunteer to help with the **Senior with Groceries** project, or know of a home-bound individual who could benefit from the services provided by RSVP volunteers, contact RSVP at 410-386-4646

## HALL of FAME 2017

***ALL local organizations... and groups, as well as individual citizens, are encouraged nominate an individual who has contributed to the New Windsor area community, past or present.***

The New Windsor Hall of Fame proudly announces its 5<sup>th</sup> year nomination season. We are enthusiastic about sharing our mission with members of our New Windsor community.

***We are dedicated to provide an opportunity to honor members of the New Windsor area community, past and present, who have worked hard to make a positive difference for our community.***

The Heritage committee sponsors the event but we remind you that the **Hall of Fame belongs to the entire town.** It is our goal to encourage members of local organizations, like the fire department, Lions club, business community, town government, churches, and all groups, as well as individual citizens to consider nominating an individual who has contributed to your organization and/or our town. It is important to recognize them for their contributions. People do not volunteer and work hard for any special recognition or fame but isn't it nice that we can, in hindsight, offer it as a way of saying "Thank You."

In our towns history, and presently, there are so many people who have and continue to contribute to our success we feel certain that you will take the time to nominate them and say "Thank You, we appreciate what you have done".

Nomination forms are simple to fill out are available in on the Town website - [newwind-sormd.gov](http://newwind-sormd.gov) and or, on the Heritage Committee website - [newwindsorheritage.org](http://newwindsorheritage.org) - or pick one up at the NWHC museum (open **MOST** Saturdays from 10:00 – 1:00 at 207 Main Street). QUESTIONS? Contact HoF Chair, Don Ludke at [LGATHERING@msn.com](mailto:LGATHERING@msn.com)

Please take the time. The New Windsor Heritage Committee and indeed the entire Town thank you.
