Jack Coe stated the carnival week went good
There was a working house fire on Saturday and it was under control within 14 minutes.

Town Manager Report:
Lagoon Decommissioning
Condon’s has begun to smooth out the bottom of the lagoons. Carroll County is developing a grading plan for filling the lagoons with dirt from the Blue Ridge storm water management pond retrofit.

Sulphur Springs Park Master Plan
Grace Fielder is continuing her work on developing the base mapping for the plan. She will be bring three concepts to the July17th Work Session for some initial discussion and feedback.

Dielman Inn Lead Paint Abatement
Roof painting is complete. Shutters have been painted and as many as possible have ben reinstalled. Two of the chimneys have been repaired. The large chimney still needs to be repaired. Gutters and downspouts need to be repaired and installed. The piers for the roof support post need to be repaired/rebuilt. Work is scheduled to resume next week.

Blue Ridge Storm Water Management Retrofit.
The plans for the retrofit have been submitted to the County for final review and approval. There are about 17,000 cubic yards of dirt that will be removed from the site and hauled to the lagoons to be used as fill. To avoid having trucks going through the Blue Ridge development a temporary haul road to the old State road is being proposed. The County is developing the grading plan for filling the lagoon. The project will be out for bid by the mid to late summer.

Blue Ridge and College Avenues – Design and Engineering RFP
Survey work has been completed. Town staff met with the engineer on June 8th to kick-off the design. Issues related to the entrance on Route 75, parking on College Avenue, water line depth and storm water management were discussed.

Lions Park Fire Damage
The insurance company has paid the $8,313.00 damage claim. The Town has requested reimbursement through Juvenile Services of the $500.00 deductible. Repair work is scheduled to begin June 19th.

Bulk Trash
6.26 tons of bulk trash were collected and disposed of during the April bulk trash event.

Inlet Repairs
Inlets on Water Street and Spoerlien Drive have been repaired.

Sludge Press
The field survey have been ordered for the project.

Streetscape Progress Meeting
Progress meeting was held on June 14th. All SHA agencies, GMB and Town staff were in attendance. The current SHA would have the project going to bid in late 2018 with construction in 2019. However construction funding has not been approved for the project yet. The need for another public information meeting was discussed. A meeting may be scheduled this fall.

Sewer Lining
Layne Inliner has been given Notice To Proceed. Layne is developing their Maintenance of Traffic plan. Once that is approved by the SHA they will begin cleaning and inspecting the lines. Layne hopes to begin work within 3 weeks.

**Waterline Design**
GMB has had the kick-off meeting for the waterline design. GMB projects 17 months until the project is ready to go to construction.

**Lighting**
Within the next two months the Town must make a decision on the lighting fixtures. The type of fixture dictates the number and location of fixtures. This in turn effects design of the lighting plan.

**Clerk/Treasurer – Each of the following balances given as of May 31, 2017**
