**MAYOR ROOP'S MESSAGE**

In 2015, I asked residents on College Avenue & Blue Ridge Avenue to participate in an Income Survey for a grant application to the Maryland Department of Housing & Community Development. The result of that survey allowed the Town to be eligible to apply for a Community Development Block Grant. The grant application requested funding for a Blue Ridge Avenue & College Avenue Street Project. The project includes the construction of ADA compliant sidewalks, new curbing, new storm water management system and repaving of College Avenue and Blue Ridge Avenue.

Unfortunately, the grant application was not approved in 2015 or in 2016. However, we were determined to reapply. Each time we were turned down, we learned how to improve the application. So much so that I am extremely pleased to announce that the Town of New Windsor's 2017 grant application was approved.

What happens now? Once the engineering is nearly completed, we will hold a public informational meeting. We plan to advertise for bids in the first part of 2018, select a contractor and begin work before spring. Weather permitting; we expect the project to be completed by the end of the summer.

Naturally, with this scope of a construction project, there may be some inconveniences. I ask everyone to be patient and understanding during the construction period. We will have a page on the Town's website that will provide updates and schedule of work. Should you have questions or comments before or during the project, feel free to contact Town Hall at 410-635-6575. I want to thank the residents of College Avenue and Blue Ridge Avenue personally for their assistance with the income survey. Without their participation, we could not have applied for the grant. This grant will save the Town \$673,300. In addition, once completed, we will have visual appealing streets, safe and ADA compliant sidewalks and a project they can be proud of because they helped make it happen!

*A little more persistence, a little more effort, and what seemed hopeless failure may turn to glorious success.*

*Elbert Hubbard*

## TRICK OR TREAT TUESDAY, OCTOBER 31 TIME: 6:00—8:00 PM

**Have your porch or outside light on if you wish to  
 participate!**

Please Recycle Plastic Bags at Supermarkets, not in your Household Recycling Bin.

We no longer collect plastic bags for recycling. Retail locations across the county – such as large grocery chains, home improvement stores, Walmart, Target, etc. – provide collection bins for these plastic bags/wraps/film, usually in the storefront close to the main entrance. Since you picked up your grocery or shopping bags at these stores, why not just return them on your next trip? They will be recycled into products without going through the processing equipment.

### New Services Available to New Windsor Residents

RSVP Carroll County announces two new services that are now available to help senior and other residents of New Windsor and the surrounding areas.

The Food Pantry at Frederick Scott Key High School, 3825 Bark Hill Road, is now open to all residents **every Tuesday from 3:00-4:00**. Canned goods, bakery items and other pantry staples may be picked up at no cost. It is not necessary to show proof of household income to obtain groceries, and participants are encouraged to take an extra bag of groceries to deliver to a friend or neighbor. To find the Food Pantry, go to the back parking lot of the school and use the entrance near the flagpole.

RSVP Volunteers will deliver groceries to anyone who does not have transportation to get to the school, those over age 55 or those who have physical limitations that make it difficult to carry grocery bags. Call RSVP at 410-386-4646 to request home delivery through **Seniors with Groceries** project.

Transportation assistance is now available to cancer patients who find it difficult to get to their medical appointments. RSVP Volunteers for the American Cancer Society's "Road to Recovery Program" will pick up patients at their home, and provide transportation at no cost to treatment appointments in the county. Call the American Cancer Society at 410-781-6909 to request transportation assistance.

**RSVP** stands for Retired and Senior Volunteer Program, which is a branch of the Senior Corps, a federally supported program through the same agency which administers AmeriCorps and Vista. The program recruits volunteers age 55+ to provide needed services in Carroll County through established non-profits.

RSVP volunteers serve with Meals and Wheels, health and wellness partnerships, soup kitchens, and food pantries to address food insecurity for older, home-bound residents. Many seniors must make the choice between eating healthy food and paying rent or buying critically needed medicine, and RSVP volunteers serve in programs that help seniors to live better, more healthy lives.

RSVP Carroll County addresses the concerns of the community by harnessing the power, wisdom and experience of seniors age 55+. A few minutes or hours per week can make a significant difference in the lives of others.

If you would like to volunteer to help with the **Senior with Groceries** project, or know of a home-bound individual who could benefit from the services provided by RSVP volunteers, contact RSVP at 410-386-4646
