### MAYOR ROOP'S MESSAGE

We have a busy year ahead of us with several major projects. The first project we should see movement on is the Blue Ridge and College Avenue reconstruction project. We plan to put the project out to bid in late winter to early spring. This project includes new ADA compliant sidewalks, ramps, curbs, storm water system and paving. The lower part of College Avenue will see a substantial lowering of the pavement. This will allow for a safer access to the street from Union Bridge Road, especially for fire apparatus. This project is the result of being awarded a grant for \$673,300 from the Maryland Department of Housing and Community Development. If everything goes according to plan, the project should be completed by the end of the year.

Another project the Town is undertaking is Streetscape. Already under way, we have nearly completed the sewer pipe lining and will be undertaking the water line replacement. We hope to put this project out to bid by early summer. This project will replace 110 year old water pipes on High Street and Main Street. This project is expected to take about one year to complete. Once completed, the State Highway Administration is scheduled to begin their portion of the project. This includes the construction of ADA compliant sidewalks, ramps, curbs, pedestrian lighting and paving.

The Blue Ridge storm water management pond project is also underway. Thomas, Bennett, & Hunter, Inc. started construction on the Blue Ridge Manor storm water management pond retrofit around the first of November. The estimated duration of the project will be about five (5) months, weather permitting. The construction of the pond is being performed in partnership with the Carroll County Department of Resource Management to address requirements relating to the National Pollution Discharge Elimination System Permit. These requirements relate directly to nutrient reductions and impervious area treatment. The work will involve installation of sediment control (completed), replacement of the riser (completed), excavation of the facility (which will involve blasting), and installation of the filter media in the bottom of the facility. The retrofit will bring the facility up to current storm water management standards and will be constructed to address issues encountered during routine maintenance of the facility over the past several years by the Town. Over the next several weeks there will be blasting taking place to remove rock encountered during construction and if you have any questions or concerns relating to any of the work taking place on site, please contact the Bureau of Resource Management at (410) 386-2712; the agency overseeing the construction project.

As you can see, we have a lot going on now and into 2018. As I stated in a previous newsletter, with this scope of construction projects, there may be some inconveniences. I ask everyone to be patient and understanding while these projects are underway. We have a page on the Town's website that provides updates and schedules of work. Should you have any questions or comments before or during the projects, please contact Town Hall at 410-635-6575.

*I believe that we all have a responsibility to give back. No one becomes successful without lots of hard work, support from others, and a little luck. Giving back creates a virtuous cycle that makes everyone more successful.*

-Ron Conway

# TOWN CALENDER

## January

Jan 1 New Year's Day, Office Closed  
 Jan 2 Walk w/ Mayor  
 Jan 3 Christmas Tree Pick-up  
 Jan 3 Town Council - 7:00 PM at Community Meeting Room

## BOOK MOBILE SCHEDULE FOR NEW WINDSOR

The Bookmobile will be at Carroll County Public Library Headquarters, 1100 Green Valley Road on Mondays 3:00 - 5:00 PM

**\*\*Changes are being made, for the schedule please go to <https://library.carr.org/about/bookmobile.asp>**

You may order books online for pick up at the bookmobile.  
[www.library.carr.org](http://www.library.carr.org)

**Don't forget to change clocks a hour ahead Sunday, March 11**

## Yard Waste

Yard Waste will be picked up on the first and third **Wednesdays** of each month starting **April 4th** and ending in October. Yard Waste includes grass cuttings, leaves, shrub clippings, flowers, small plants and branches not over 4 inches in diameter or 4 foot in length. Branches must be tied in bundles. Yard waste should be placed in brown paper bags or containers that can be easily dumped; these containers should not weigh over 40 pounds.

## DON'T FORGET TO BUY YOUR DOG LICENSE!

You can purchase the new 2018 dog license at the Town Hall. You will need your dog's rabies certificate, which will include the rabies tag number and revaccination date. If your dog has been altered you will need to show proof of spay or neuter. Tags cost \$25 if your dog is not altered or \$10 if you are a senior citizen. Altered dog tags are \$5. Starting March 1st, a \$10 late penalty will be charged.

Christmas trees will be picked up on Wednesdays, January 3rd, 10th & 17th. Please have trees in front of your house for pick-up. Main Street residents should place trees in the alleys behind their homes. Be sure all decorations are removed.

### BUSINESS AWARDS

At the November Town Council Meeting three businesses were recognized for milestone Anniversaries!

- New Windsor State Bank - 85 years
- Garber's Automotive - 35 years
- Belisimo's - 5 years

### Research Your Family's History

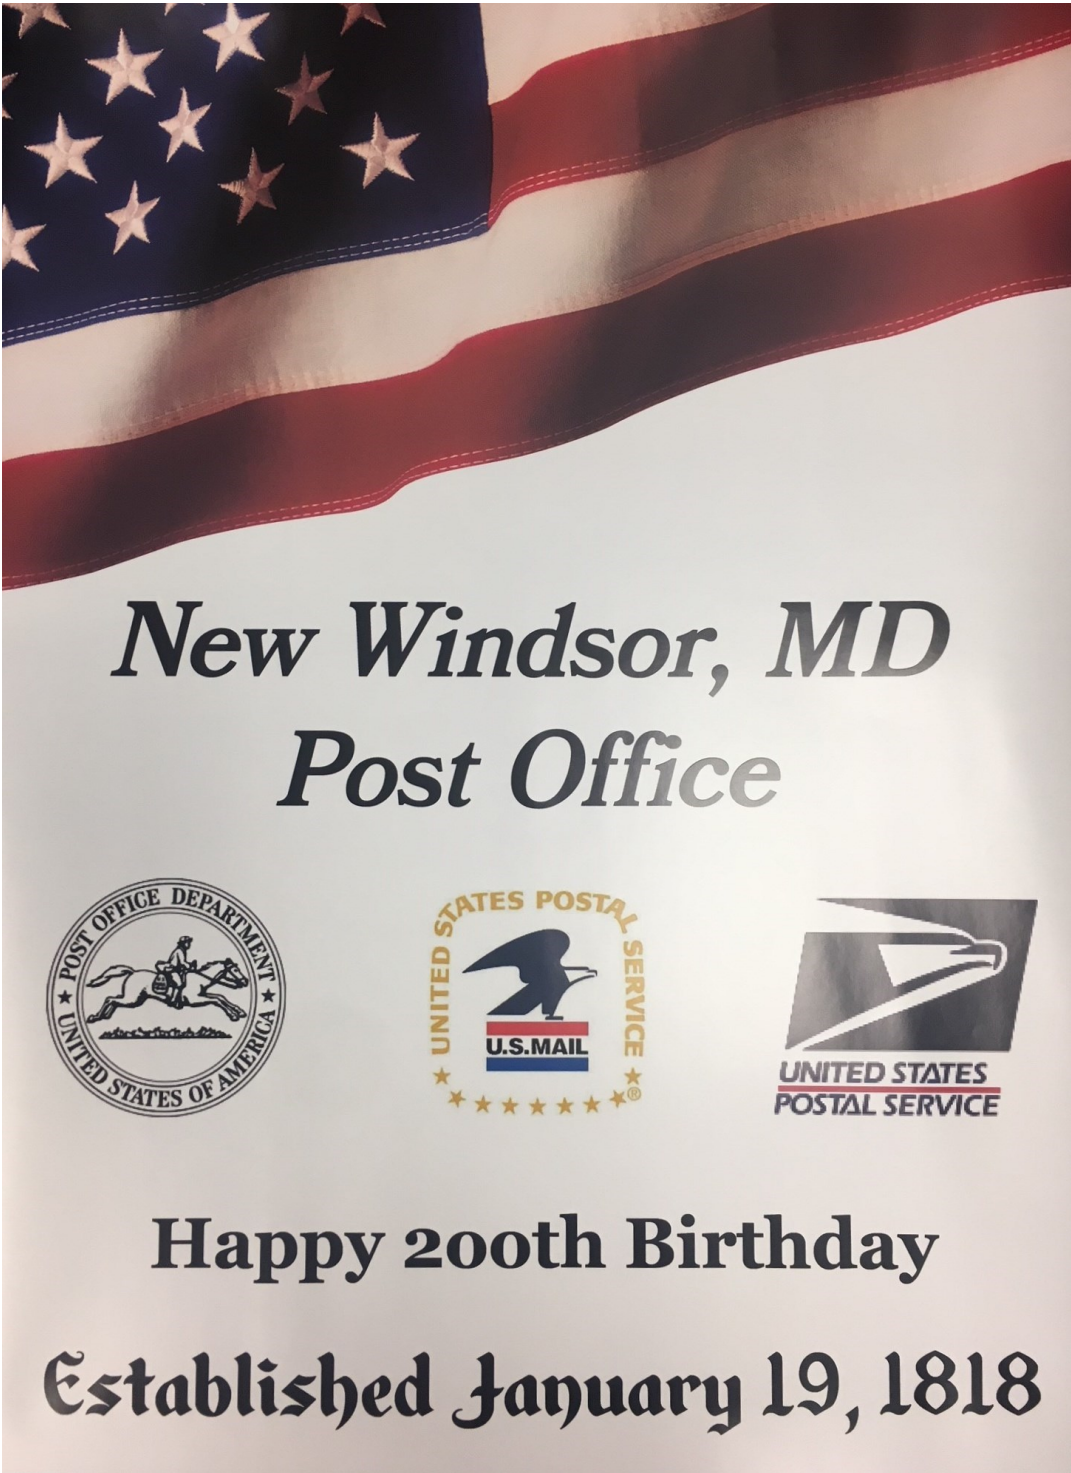

The long, dreary winter days are a great time to do some research on your family's Carroll County roots or the old house you may live in. Why not drop by the New Windsor Heritage museum at 207 Main Street next to the bank? The exhibits and a video will introduce you to our town's fascinating history, you can do research in the Dielman Library, and you might even pick up a gift in the Fountain Shoppe. Hours are Saturdays from 10:00-1:00. Also, check out our website at [www.newwindsorheritage.org](http://www.newwindsorheritage.org). Since the museum is staffed by volunteers, call 410-635-3415 first to make sure someone will be there.

Happy 200<sup>th</sup> Birthday!

The New Windsor Post Office is proud to announce that it is celebrating its 200<sup>th</sup> Birthday this month. It was established on January 19, 1818 with the appointment of William Brawner as its first Postmaster. Mr. Brawner served in that capacity for 10 years until Catherine M. Brawner was appointed Postmaster on August 8, 1828. In all there have been 24 Postmaster appointments during its 200 year history. Current Postmaster Ed Dean and Sales & Service Associate Cyrena Bingaman are very proud to carry on the great tradition of serving this community. In addition, it should also be noted that Rural Free Delivery was expanded to all of Carroll County in 1899. Today New Windsor is served by four dedicated Rural Carriers that deliver mail to the rural countryside of New Windsor. The New Windsor Post Office plans to commemorate this historic occasion during the month of January, 2018.

Snow Emergency Routes

The Town Code states parking is prohibited on designated Town Snow Emergency Routes whenever a Snow Emergency has been declared by the State Highway Administration or the Maryland State Police. Parking is prohibited until the Snow Emergency is lifted and the streets are cleared of snow. The parking prohibition applies to all vehicles including towed vehicles such as trailers and campers. Having the streets clear of parked vehicles during snow events allows the Town crews to clear the snow more quickly and is safe for the Town residents and staff.

New Windsor Snow Emergency Routes

Old Town	Atlee Ridge	Blue Ridge
Blue Ridge Ave	Atlee Ridge Road	Clauser Court
Church Street	Jo Apter Place	Graybill Court
College Ave	Kaylan Court	Gullo Road
Lambert Ave	Kelsey Court	Miles Court
Hillside Drive	Overleigh Way	Murphy Court
Main Street	Vista Court	
Maple Ave		
Water Street		

Additional information and updates will be provided on the Town Website and Facebook Page.

**Park cars in driveways:** Parking cars in the driveway will allow snow plows to clear the snow more quickly, get streets plowed as wide as possible and avoid the possibility of damaging cars.

**Shovel snow to the left side of driveway:** Shovel snow to the left as you face it from the street. Make sure snow is behind the curb. This will reduce the possibility of the snow plows pushing the snow back into your driveway.

**Shovel snow behind the curb:** When clearing around your mailbox or car shovel the snow behind the curb. NOT INTO THE STREET. This will prevent the snow plows from pushing the snow back into your driveway or against your car or mailbox.

**Clear sidewalks within 24 hours of the end of the snow:** Clearing the sidewalks is the responsibility of the property owner. Town code requires the sidewalks to be cleared within 24 hours of the end of the snow.
