MAYOR ROOP'S MESSAGE

It gives me great pleasure in announcing that the Blue Ridge and College Avenues Road Improvements are becoming a reality. We have advertised for bids and will receive bids on Friday, October 26th. We plan to award the project to the successful bidder at the November 7 Town Council meeting with work to begin shortly thereafter. The work to be completed consists of pavement, curb and gutter removal and reconstruction, milling, paving, new curbs, sidewalks, storm drainage, retaining wall, concrete steps, driveway entrances, and handicap ramps. This project is the result of being awarded a grant for \$673,300 from the Maryland Department of Housing and Community Development. I would like to thank the residents on College & Blue Ridge Avenues for their participation with the required income surveys. Without their participation, this project would not be happening. As I mentioned, the grant required income survey was vital to the awarding of the grant for the College Avenue & Blue Ridge Avenue project. I plan on applying for a grant next year for another street project. Therefore, I may need your cooperation and participation with another income survey. At the direction of the council, determination of which street(s) will be in the grant application will be decided in the next few months. A letter will be sent to the property owners affected by the grant with more information on the income survey once this determination has been made.

Veteran's Banners Program: This program was created to pay tribute to the brave men and women who are serving, have served, or have given their life in the line of duty while serving in the United States Armed Forces. Banners with the Veteran's photo and branch of service will be displayed throughout New Windsor during the months of November (for Veterans Day), May (for Memorial Day) and honoring their service to our country. The initial cost per banner is \$100.00 and may be sponsored by friends, family, a business or an organization. The banners will be stored with the Town of New Windsor and will be re-displayed the following year. If the Veteran or family member does not want it re-displayed the following year, the banner will be returned to them. Forms are available at Town Hall.

On Thursday, November 15, the New Windsor Lions Club is sponsoring a Red Cross Blood Drive. It will be held at the Carroll County Public Library Headquarters Meeting Room from 2:00 PM to 7:30 PM. The reason I'm putting this in my Mayor's Report is this is a special blood drive for me. It will be my 100th blood donation and what better way to help me celebrate this milestone than you signing up to donate the Gift of Life. You can sign up by going to www.redcross.org or calling me at 410-596-7912.

On Friday, November 16, I'll have my 3rd Annual "Mayor on the Square" food drive. I'll be on the open lot at 201 Main Street from 9:00 a.m. to 5:00 p.m. (Rain or Shine) Please bring canned foods, non-perishable food and personal hygiene products. Monetary donations are also welcomed. This benefits the New Windsor Food Bank at St. Paul United Methodist Church to assist families in the New Windsor and Union Bridge communities dealing with food insecurities. Your support will be greatly appreciated.

Civic participation over a lifetime, working in neighborhoods and communities and service of all kinds - military and civilian, full-time and part-time, national and international - will strengthen America's civic purpose.

New Windsor will be participating in a FuTuRe, Fair Trash Reduction Pilot Program in conjunction with Carroll County Bureau of Solid Waste and WasteZero. The Program is also known as Pay As You Throw or PAYT.

The Pilot Program will run from November 1, 2018 to June 30, 2019 for 34 weeks and end on the last regularly scheduled trash pick up day of fiscal year 2019.

Approximately two weeks prior to the start of the Pilot Program, on November 1, 2018, WasteZero personnel will be going door to door to all Town properties; including individual rental units to distribute gift cards to be used to purchase bags. Each residential unit and some businesses will get one gift card each during the Pilot Program.

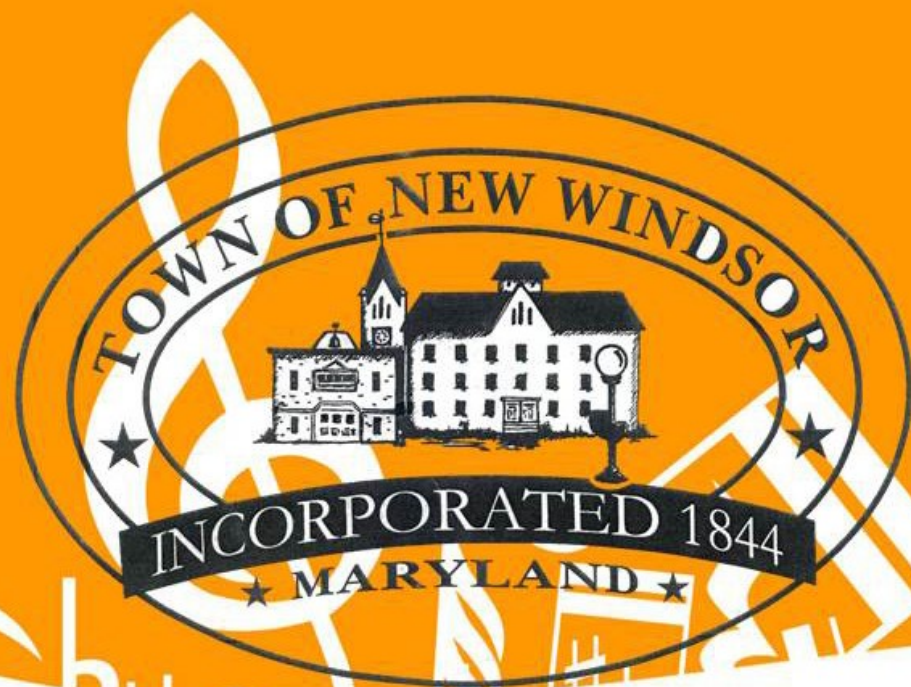

WasteZero will also be mailing a Launch Brochure with information about the Pilot Program including locations and addresses of where to purchase bags. Two bag sizes will be available to purchase. A small 15 gallon bag will cost \$0.65 each and will be sold as a sleeve of 5 bags for \$3.25. A large 30 gallon bag will cost \$1.20 each and will be sold as a sleeve of 5 bags for \$6.00.

Participation by all residents is required in order to be fair and equitable and to provide the desired data for the Pilot Study. The goal is to encourage and increase recycling, reduce tonnage disposed and paid for as tipping fee by the Town and reduce the amount of trash deposited at the County Landfill.

Should you have questions you may call Town Hall at 410-635-6575 Monday - Friday between 9:00 a.m. and 3:00 p.m. or email Town staff at info@newiwndsormd.org. Contact information for Carroll County Solid Waste and WasteZero will also be available should Town staff not be able to answer your question.

Your patience and cooperation with the Pilot Program is very much appreciated.

Just a Reminder!

Effective July 1st, 2018 water and sewer billing rates will be adjusted. You will see the adjustment beginning with the October 2018 quarterly billing. The new rates for sewer will be \$95.00 for the base rate and \$7.89 per thousand gallons for usage. The new rates for water will be \$135.00 for the base rate and \$3.86 per thousand gallons for usage. As always, you may find this information on the Town website at www.newwindsormd.gov

Lately the biggest complaint that I have received around Town is in reference to those octagon shaped signs, that we all know as a Stop Sign. The State of Maryland classifies the Stop Sign as a regulatory sign as it regulates traffic at intersections. The stop sign can come in several different sizes from 24x24 inches to 48x48 inches, depending on the intersection. As we all know, Stop Signs are red with a white boarder and has the word STOP printed in white across the sign.

Why is it important to stop at stop signs? According to statistics, approximately 700,000 accidents occur each year by a driver failing to stop at a stop sign. Out of the 700,000 accidents a third of those cause serious injury. It is very important that you come to a complete stop before proceeding across the intersection.

The possible consequences if you violate not stopping at a posted Stop Sign could result in a fine of \$90.00 dollars and 1 point issued on your driver's license. If an accident occurs because you failed to stop at a posted Stop Sign, that fine would be \$130.00 dollars and 3 points on your driver's license.

In this community as well as others, you will see increased traffic enforcement targeting this type of violation.

As always, stay safe and happy driving.
