Resident Survey from WasteZero

No plastic bags should be placed in the recycling bins. The plastic film jams up the machines at the recycling plant.

Residents should put flattened cardboard or any glass bottles on top to help keep things in the bin. Since recycling is single stream—there is no need to sort or separate the recyclables in the bin— all materials (paper, cardboard, bottles and cans) go in the bin together.

Another option is to use a garbage can with a lid, labeled with a recycling sticker, and if you drill a hole in the lid, you can zip tie it to the handle to keep the lid attached to the can during collections.

Recycle Tip from WasteZero

No plastic bags should be placed in the recycling bins. The plastic film jams up the machines at the recycling plant.

Residents should put flattened cardboard or any glass bottles on top to help keep things in the bin. Since recycling is single stream—there is no need to sort or separate the recyclables in the bin—all materials (paper, cardboard, bottles and cans) go in the bin together.

Another option is to use a garbage can with a lid, labeled with a recycling sticker, and if you drill a hole in the lid, you can zip tie it to the handle to keep the lid attached to the can during collections.

---

**DON’T FORGET TO BUY YOUR DOG LICENSE!**

You can now purchase the new 2019 dog license at the Town Hall. You will need your dog’s rabies certificate, which includes the rabies tag number and revaccination date. If your dog is altered you will need to show proof of spay or neuter.

*Prices for Dog Licenses:*
- Senior Citizen (Altered) - $3.00
- Senior Citizen (Unaltered) - $10.00
- Altered - $5.00
- Unaltered - $25.00
- Late Penalty (Beginning March 1st) - $10.00

**Senior Citizen is age 62**

---

**Yard Waste**

Yard Waste will be picked up on the first and third Wednesdays of each month starting April 4th and ending in October. Yard Waste includes grass cuttings, leaves, shrub clippings, flowers, small plants and branches not over 4 inches in diameter or 4 foot in length. Branches must be tied in bundles. Yard waste should be placed in brown paper bags or containers that can be easily dumped; these containers should not weigh over 40 pounds.

---

**TUESDAY NIGHT BINGO**

Cash Prizes Only
- 4 Early Birds
- 16 Regular Games
- 3 Special
- 2 Quickie Games
- 1 Jackpot Games

**Bingo starts up again on January 8, 2019**

---

**Sub Sale**

Ham & American Cheese
American Cold Cut
Italian Cold Cut
Turkey Breast & Cheese
Roast Beef & Swiss Cheese

Price: $5.50

For general information about West Carroll programs, contact Community Coordinator, Penny Rockwood at 410-775-1506. Another source to check for upcoming sports registrations is “RecZone”, found in the back of the Sports section of the Carroll County Times on Sundays.

PUBLIC WORKS

Resident Services: Yard waste and leaf pick-up for 2018 is complete and will resume Spring and Fall 2019. Geer Lane dumpsters will be removed after the last Christmas tree pick-up on Wednesday January 16, 2019

**CHRISTMAS TREE PICK-UP: Wednesday, January 2nd, 9th and 16th.**

Water Reading Upgrades: Over the next few months the Public Works Department will be installing radio read (MXU) devices over existing touch pads on many homes throughout New Windsor. The upgrade will allow Public Works employees to remotely read water meters in most cases. This will be an exterior upgrade, will not effect water service and in most cases not require special access. The Town or Public Works will contact residents in the rare case where special access is required. The installation of the MXU should take approximately 15 minutes and may require slight modification of the existing touch pad to allow proper fitting. Thank you for understanding and cooperation.

The Town of New Windsor recently purchased a new Kubota 7060 tractor to replace the old one which was 10 years old. The new one will better serve the Town and is a larger more versatile machine.

Suggested Snow Emergency Off Street Parking
- Lions Park
- Tennis Courts
- Skate Park
- Atlee Ridge Pump Station

Additional parking will be added, check the Town website and Facebook for updates.
Snow Emergency Routes

The Town Code states parking is prohibited on designated Town Snow Emergency Routes whenever a Snow Emergency has been declared by the State Highway Administration or the Maryland State Police. Parking is prohibited until the Snow Emergency is lifted and the streets are cleared of snow. The parking prohibition applies to all vehicles including towed vehicles such as trailers and campers. Having the streets clear of parked vehicles during snow events allows the Town crews to clear the snow more quickly and is safe for the Town residents and staff.

Please be advised that Maryland Transportation Article 21-1119 authorizes law enforcement officers to ticket and tow vehicles parked on snow emergency routes when a snow emergency is declared. Violators of this transportation article could be fined $70. Violator’s will also be responsible for the tow bill, if the vehicle is in fact towed.

When a snow emergency is declared by the State Highway Administration, the Town of New Windsor will post the declaration on the Town’s Website and Facebook page. Please remember to stay educated during snow events. Whenever you hear the weatherman call for snow, play it safe and just remove your vehicle from the street so you are not burdened later with cost associated with violations.

Additional information and updates will be provided on the Town Website and Facebook Page.

What is the best way to clean snow from the sidewalks? Remove snow along the sidewalk adjacent to your property. Do not push snow from the sidewalk into the street. Clear the snow from around the fire hydrant if there is one in front of your property. You should move the snow to your front yard, behind the stoop line, or the grass strip between the curb and sidewalk if one exists. Where possible try to clear a path at least three feet wide along the sidewalk. Corner property owners should clear a path for bus stops.

We understand it can be frustrating when our plows push snow back over an area you already shoveled however, please read below to understand why this happens and how to resolve it.

Why do snow plows leave a ridge at the end of my driveway? Who is responsible for clearing the ridge?

Snow ridges are an unavoidable after-effect of plowing streets, particularly in larger or heavier snow storms. Public Works must plow to create a passable driving lane. While this clears a path for traffic, it may leave a snow ridge. We appreciate this concern. However, residents are responsible for clearing any ridge in front of their driveway. We suggest driveways be cleared after street snow clearing operations are conducted, this means when the full road is free of snow back to the curb.

Cul-De-Sacs are extremely difficult to plow and time consuming. THANK YOU to residents who live on Cul-De-Sacs for your continued patience and understanding.

Park cars in driveways: Parking cars in the driveway will allow snow plows to clear the snow more quickly, get streets plowed as wide as possible and avoid the possibility of damaging cars.

Clear sidewalks within 24 hours of the end of the snow: Clearing the sidewalks is the responsibility of the property owner. Town code requires the sidewalks to be cleared within 24 hours of the end of the snow.

Additional information and updates will be provided on the Town Website and Facebook Page.
