## MAYOR ROOP'S MESSAGE

The Blue Ridge and College Avenues Road Improvement Project has advertised again for bids. As you may recall the first bids were over the engineering firm estimate as well as the State grant amount. Modifications were made to the scope of work to help lower the cost of the project and may be completed in two phases. A pre-bid meeting was held on Wednesday, March 13 with seven contractors in attendance. Bids are due Monday, April 1 and we hope to award the bid to the successful contractor at the April 15 Town work session. The work to be completed consists of pavement, curb and gutter removal and reconstruction, milling, paving, new curbs, sidewalks, storm drainage, retaining wall, concrete steps, driveway entrances, and handicap ramps. This project is the result of being awarded a grant for \$673,300 from the Maryland Department of Housing and Community Development. I would like to thank the residents on College & Blue Ridge Avenues for their participation with the required income surveys. Without their participation, this project would not be happening.

Reminder: Military Banner Program! Hopefully, you were able to see the Military Banners displayed in November. This program will continue to pay tribute to the brave men and women who are serving, have served, or have given their lives in the line of duty while serving in the United States Armed Forces. Banners with the Veteran's photo and branch of service will be displayed throughout New Windsor during the months of November (for Veterans Day), May (for Memorial Day) and honoring their service to our country. The initial cost per banner is \$100.00 and may be sponsored by friends, family, a business or an organization. The banners will be stored with the Town of New Windsor and will be re-displayed the following year. If the Veteran or family member does not want it re-displayed the following year, the banner will be returned to them. Forms are available at Town Hall.

Can you believe this will be the fourth year for Music on the Main? Mark your calendar and tell your family and friends the place to be on Saturday, October 5 from 1:00 PM to 7:00 PM is in New Windsor. I'm in the process of booking the same four bands from 2018. However, we will switch two band's scheduled times. The Trinidad and Tobago Baltimore Steel Orchestra will kick off the event at 1:00, playing until 2:30, our own Morning Sky will play from 2:30 to 4:00, Josh Christina will play from 4:00 to 5:30 and Half Serious playing from 5:30 to 7:00. Vendors interested in a space can contact Kalena at Town Hall, 410-635-6575. Feel free to attend planning meetings as we get ready for another great Music on the Main. Meeting dates and times will be posted on the Town's Facebook Page. We are still looking for ideas to help celebrate the Town's 175<sup>th</sup> year as an incorporated Town. Like the Music on the Main planning meetings, I encourage you to come out and help plan events throughout the year. Details on the events will be forthcoming as we finalize plans, dates and times.

Town Election: On Tuesday, May 14, 2019, you have the opportunity to vote for three council seats. Local government usually has a greater day-to-day impact on your lives than any other level of government. I encourage you to get to know the candidates by attending the candidate forum on Thursday, May 9, 7:00 PM at the fire hall in Windsor Station, 101 High Street.

*Without community service, we would not have a strong quality of life.  
It's important to the person who serves as well as the recipient. It's the way in  
which we ourselves grow and develop.  
~Dorothy Height*

A copy of the registration form can be located on the Johnsville United Methodist Facebook Page. You may duplicate the registration form as needed. The Laity Sexual Misconduct Questionnaire will be provided as needed.

Over the next few months Law Enforcement Officer's along with the Maryland Highway Safety Office will be partnering up across Maryland to educate motorist about distracted driving. You may be wondering, what is distracted driving? Distractive driving can range from a long list of things to include, talking or texting on your mobile device, navigation units (GPS), in car entertainment systems, passengers, eating or drinking and even your pets. Technically its anything that takes your eye off the roadway for any period of time.

According to the National Highway Traffic Safety Administration, texting is the most alarming distraction for motorist traveling on our roadways. On average, a motorist who sends or reads a text message takes their eyes off the roadway for approximately five seconds. To put that into perspective, a driver traveling at 55 MPH would travel an entire length of a football field blindfolded. As a result, accidents are more likely to be caused by distractive drivers. According to the National Highway Traffic Safety Administration statistics, in 2016 there were 3,450 people killed in distractive driving accidents. However in 2015 more than 391,000 people were injured along the nations roadways.

In Maryland if you are caught using your mobile device without a hands free device you could be facing the following penalties:

- 1st Offense - \$83
- 2nd Offense - \$140
- 3rd Offense - \$160

If you cause and accident while using your mobile device you will receive three points on your driving record as well as the above fines.

Don't get me wrong, there could be many other driving violations that could be issued as well for distracted driving. Some examples could be failing to obey a traffic control device or failure to maintain a single lane. Both violations could cost you \$90 or \$130 (result of an accident) with a one or three points (accident) issued to your driving record.

As always pay attention to the roadway and safe travels.

Regards,

Master Deputy Brian Colussy
