PRESS RELEASE

The Mayor and Town Council awarded a bid for 2020 Road Paving to CPE, Inc. at the September 21, 2020 Town Council Work Session meeting. The project includes paving three sections of Spoerlein Drive, three sections of Union Bridge Road, the entire length of Mill Drive and minor repairs to storm drain inlets.

Letters to residents, businesses and rental owners have been mailed. Public Works staff will also hang door fliers 1-3 days prior to each road section being paved.

The project is expected to start on or about the week of October 5, 2020 and last approximately 4 weeks. Construction hours will be between 7:00 am and 5:00 pm Monday through Friday. During non-construction hours the roads will be passable and care should be taken when driving on unpaved roads. Updates will be posted on the Town website and Facebook page.

We have secured parking for approximately 36 vehicles at the Library Headquarters parking lot. The lot is located off of High Street just past Manning Dr. and adjacent to the Community Meeting Room. The area will be coned off for Town residents parking.

We realize the impact and inconvenience by the planned road work and every effort will be made to minimize disruptions. We thank you for your patience during this project.

If you have any questions or concerns contact Town Hall at (410)-635-6575.

Gary P. Dye, Jr.
Town Manager
