## **PRESS RELEASE – PUBLIC INFORMATION NOTICE**

The Carroll County Zoning Administrator has granted approval of an emergency declaration to Lehigh’s New Windsor Quarry operations. This approval is good for that weekend only and if any additional time is needed another request will need to be applied for.

Lehigh Cement Company LLC stated the following. “It is expected that we will have the quarry back in production this Friday. In order to not run out of stone, our tentative schedule will be operating the New Windsor Quarry Saturday and Sunday 6am – 6pm.”

Lehigh is currently allowed to operate on Saturdays from 8am to 7pm per Code. The emergency declaration provides for temporary 24-hour operations the weekend of May 15<sup>th</sup> and 16<sup>th</sup>, 2021 only.
