MAYOR ROOP'S MESSAGE

MD-31 Water Main Project

As warm temperatures arrive, there will be more activity with the project. I ask that you be understanding and patient with the construction on High and Main Street. While it can be inconvenient in the short term, it is ultimately for the betterment of the Town.

The project progress is updated every two weeks on the Town's website and official Facebook page. Once the water main improvement project is completed, the Maryland State Highway Administration (SHA) is expected to begin its responsibilities on MD-31. This will include new ADA-compliant sidewalks and ramps, retaining walls, curbs, pedestrian lighting, and paving. Below are two renditions of what the Town plans for the 400 block of High Street to look like.

My Pet Peeve #2, grass growing in the sidewalks and curbs. With warm weather approaching, grass will be growing. Grass growing on sidewalks can be frustrating because it not only looks unkempt but can also make walking or biking more challenging. It's like nature reclaiming its territory but in inconvenient places. Please take pride and a few minutes to make our town look nice. In case you were wondering what my #1 Pet Peeve is, automakers not putting turn signals on some cars and trucks.

New Windsor Fire Department Carnival will be held Tuesday, May 21 through Saturday, May 25. Come out and enjoy great carnival food, entertainment, as well as rides. The GIANT parade will be on Wednesday, May 22 at 7:00 PM sharp! The carnival is the fire department's major fundraiser helping them raise funds for equipment and other operational needs.

*"The heart of a volunteer is never measured in size,
but by the depth of the commitment to make a difference in the lives of others."*

Human Services Programs of Carroll County, Inc.

For more than 35 years, Human Services Programs (HSP) of Carroll County, Inc., has served as Carroll County's Community Action Agency – leading the fight against poverty.

"HSP gives HOPE, inspires CHANGE, and provides OPPORTUNITY by mobilizing our community in the fight against poverty," said Scott Yard, executive director of HSP. "That is our mission statement. We believe with the right supports in place, everyone can embrace hope, make meaningful changes, and capitalize on opportunities that will lead them to a fulfilling, self-sufficient life."

HSP's services are designed to address the root causes of poverty, as well as compliment and leverage public services. "Our programming has significantly diversified throughout the years to address varying needs," Yard said.

HSP's Economic Mobility (EM) program is an example of just that. EM encompasses Financial Education (FE) Services, Opportunity WORKS – employment support for high-barrier participants, and HSP's Volunteer Income Tax Assistance (VITA) Site, which prepares free tax returns, year-round, for low-to-moderate income households (less than \$64,000 in 2023).

An IRS-sponsored, volunteer-based program, VITA promotes taxpayer education, accessing vital tax credits, as well as saving your refund. Last year, HSP's VITA Site prepared a total of 740 tax returns between January and June.

"Taxpayers saw an average refund of \$1,806 between state and federal refunds last year. Essentially, more than \$1.1 million went back into the community in the form of refunds," Yard said. "Basically, one out of every 3 taxpayers saved a portion of their refund, which was fantastic, as our agency employs a financial education coach to work with those individuals looking to create solid spending plans.

HSP's FE Services provide monthly financial education workshops, individual financial coaching services for up to 12 months, as well as a one-time consultation appointment. FE Services include banking, budgeting, creating savings, how to be a good tenant, reducing debt and improving your credit score.

HSP is 501(c)(3) non-profit that provides county-wide services throughout Carroll to meet basic human needs, including: shelter, housing, utility assistance, eviction prevention, integrated case management, family support and economic mobility. Assisting almost 7,000 low-to-moderate income residents annually, nearly all of the County's low-income population is served through one or more of HSP's programs.

If you or someone you know can benefit from one or more of HSP's services, or would like to join the movement to serve the organization's mission, call 410.857.2999 or visit www.hspinc.org.

Small Town with a Big History

Dear Friends and Supporters,

History Needs a Facelift!

We are reaching out to you with excitement and hope for the future of the New Windsor Heritage Museum. Our beloved museum has been a beacon of history and culture in our community for years, preserving the rich tapestry of our past for generations to come.

However, like any historical gem, our museum needs upkeep and care to maintain its splendor. One of our current projects is to revitalize the museum's facade, giving it a fresh coat of paint that will not only enhance its appearance but also ensure its longevity for years to come.

To achieve this, we're launching a fundraising campaign and inviting you to join us in this endeavor. Your generous donations will directly contribute to purchasing high-quality paint, hiring skilled professionals, and ensuring that every brushstroke brings our museum's facade back to life.

By donating to this cause, you're not just supporting a building; you're investing in the preservation of our shared heritage, culture, and identity. Your contribution will help us continue to inspire, educate, and connect with our community, ensuring that the New Windsor Heritage Museum remains a cherished landmark for years to come. To donate, please scan the qr code below or mail your donation to: New Windsor Heritage, P.O.Box 28, New Windsor, MD 21776.
