MAYOR ROOP'S MESSAGE

The water line replacement project remains on schedule. The goal is to have the water main project completed before winter and cold weather. This crucial infrastructure upgrade aims to replace outdated pipes with modern, durable materials to ensure reliable and safe water delivery to all residents. The work will be carried out in phases over the next few months, with minimal disruption to daily life.

The project is expected to significantly improve water pressure, reduce maintenance costs, and prevent future breaks. We appreciate the community's patience and cooperation during this essential upgrade. Residents can follow the project timeline on the city website for regular updates.

Mark your calendars! Our annual Main Street event, Music on the Main will be held on Saturday, October 5. We have changed the start time to noon and will go until 6:00 PM. This street event promises fun for the whole family, featuring pit ham, beef, and turkey by the Fire Company, fried chicken and fish, french fries by Strawbridge United Methodist Church, and hot dogs and soups from St. Paul United Methodist Church.

Music will be provided by Trinidad and Tobago Baltimore Steel Orchestra (12:00 – 1:30), Sons of Parrots (2:00 – 4:00) and Half Serious (4:00 – 6:00). There will be a moon bounce, barrel train, and face painting for the kids.

This is a great opportunity for community members to come together and celebrate our town's vibrant culture. The event will take place in the 200 block of Main Street., which will be closed to vehicular traffic during the event hours. We encourage everyone to join in, support local businesses, and enjoy a fun-filled day.

I was honored to be invited by the Maryland Municipal League to speak at its Housing Symposium in August on Community Revitalization. My presentation was on the Town's grant application, Rescue to Residence. If approved, the Historic Fire Hall will be renovated into two, two-bedroom apartments. Hopefully, young, single volunteers of the fire company will live there and be able to respond to emergency calls. While at the symposium, I had the opportunity to talk about the project to Jake Day, Secretary, Department of Housing & Community Development Maryland. He was very supportive of the project and had positive comments about the application. Awards will be announced at the end of October or early November.

This grant is a key part of our strategy to enhance the quality of life for all residents, particularly in the affordable housing areas. We are optimistic about our chances and will keep the community informed about the outcome of our application.

My 9th Annual Mayor on the Square Food Drive will be held on Friday, November 22 from 9:00 a.m. to 4:00 p.m. Unfortunately, there are families in our community that deal with food insecurities. I'll be at Fountain Park collecting canned and non-perishable foods, personal hygiene products, monetary donations, and new or slightly used coats. Please challenge your friends, family, schools, and organizations to help make this another successful event. All donations go to the New Windsor Food Bank which is located at St Paul United Methodist Church.

Without community service, we would not have a strong quality of life. It's important to the person who serves as well as the recipient. It's the way in which we ourselves grow and develop.

WATER AND SEWER BILLING

The Mayor and Town Council are in support and have provided the Town Water and Sewer Billing Clerk direction to actively continue pursuing delinquent/outstanding water and sewer bills. The Water and Sewer Billing Clerk will provide monthly updates at Town Council meetings and focus efforts on sending certified letters and door hanger shutoff notices, as needed, to residents delinquent on payment. The establishment and payment of water and sewer charges is in accordance with Town Code Chapter as follows:

Chapter C – CHARTER specifically C10-13 Charges

Chapter 205 – WATER AND SEWERS specifically 205-37 Water and sewer charges established

In fairness and respect for the up-to-date residents, elected officials and staff respectfully ask support and cooperation in our efforts to address the outstanding water and sewer bills and bring all residents up to date and current. The goal is continued flexibility and willingness to work with delinquent accounts to avoid shutting off water if possible. However, as a last resort the water service will be shut off.

Small Business Spotlight

Gribs Gallery is a two story building located in the heart of New Windsor. Owner and artist herself, Sharon Gribbin-Lindemon showcases artwork from artists all over Carroll County.

As a mixed media artist and painter, Sharon knew that her love for art was not going to fade away once she retired from Montgomery County Public Schools. Her passion for art would always be calling her and it was time to feature it closer to home. With the support of her husband and son, Gribs Gallery was built.

Once a dream, the gallery now features four to five exhibits a year and is open to the public Friday, 4pm to 6pm and Saturday, 12pm to 4pm. The goal for Gribs Gallery is to become an artistic “hub” not just for New Windsor but for Carroll County as well. “Calls for Entry” go out for upcoming exhibits inviting artists of all ages to apply. “What Will We Harvest” exhibit is currently on display and showcases works of art by 11 local artists done in a variety of media and genre.

In addition to ongoing exhibits, special events such as “Bottles and Brushes” where artists of any level can come and paint with instruction and supplies provided by Sharon. Coming soon are workshops and classes for children and adults on painting, weaving, flower arranging and so much more. For more information on Gribs Gallery and to keep updated on events and exhibits, visit GribsGallery@Facebook.com.

He chronicles the town's local color from 1975 to 1990 when the Batavicks called it home, the storied Dielman Inn, and the town's rich Civil War history. The book also details the exploits of the exotic Bloom sisters, the romantic partners of famous writers Theodore Dreiser and H.L. Mencken who regularly visited the town in the early 20th century. *Establishing Shots* is available for purchase at Westminster's Rudolph Girls Books and Bonjongles; the gift shops of the Historical Society of Carroll County and New Windsor Heritage, and on Amazon.com.
