A Message from Mayor Cornick

Dear Neighbors,

As we look out at the beautiful colors starting to show in our town, I am reminded of how fortunate we are to call New Windsor home. We have several busy months ahead, and I want to take this opportunity to invite you to a great selection of planned community events and to update you on the current progress of our town projects.

Our community calendar features several opportunities for us to gather and support one another before the conclusion of the year. We will begin on **Saturday, October 3, 2026**, with our 10th annual **Music on the Main** celebration, featuring live entertainment and local vendors along Main Street. Later this month, on **Saturday, October 17, 2026**, runners and walkers will gather for the 6th annual **Frank G. Schaeffer Memorial 5K**, an enduring town tradition that honors a cherished legacy of our former Town Manager while promoting fitness and community support. The following day, **Sunday, October 18, 2026**, the town will host a deeply moving tribute featuring a **Vietnam Veterans Agent Orange Pinning Ceremony** alongside a historic **Huey** helicopter landing. To further honor the veterans in our community, the town will pay tribute by hosting a solemn ceremony on **Saturday, November 7, at Memorial Park**.

As winter approaches, we will turn our efforts toward helping those in need during the **Mayor on the Square Coat and Food Drive on Saturday, November 21, 2026**, where we will collect seasonal outerwear and non-perishable goods. Finally, we will officially welcome the holiday season together on **Wednesday, December 2, 2026**, with the traditional **New Windsor Christmas Tree Lighting** ceremony.

Alongside these community gatherings, our municipal infrastructure and preservation projects are advancing steadily. Our team is making deliberate progress on the historic preservation of the **Sulphur Springs House**, ensuring that this landmark remains an enduring piece of New Windsor's heritage. In terms of public amenities, the **Lions Club Pavilion** renovation is currently underway. Upgrades to the roof, soffits and gutters are complete. Painting of the interior and exterior are also underway and should be completed in October. Installation of the **New Atlee Ridge Basketball Court** is complete and will provide a safe,

modern recreational facility for our youth. Lastly, the interior demolition of **211 High Street** is complete. Refurbishment of the roof, the exterior brick facade, and exterior wood will begin in the coming months.

I want to extend my sincere gratitude to our dedicated town staff, volunteers, and residents whose hard work and pride make New Windsor such an exceptional community. I look forward to seeing many of you at our upcoming gatherings on the square and along Main Street.

MUNICIPAL MINUTE

Sustainable Maryland

The Town of New Windsor is beginning work toward Sustainable Maryland certification. A brief survey has been put together so that we can learn which practical, community-centered sustainability projects residents value most. The short survey is anonymous and should take about 3 minutes to complete.

If you prefer to complete the online survey, the link is below. If you choose to complete the paper survey included in this newsletter, surveys can be mailed or dropped off at Town Hall, PO Box 609, 209 High Street, New Windsor, MD, 21776.

Traffic Calming

Later this fall, the Town will be working with a contractor to install traffic calming measures on Town roads. Please check the Town's website and Facebook page for updates.

Snow Emergency Routes

The Town Code states parking is prohibited on designated Town Snow Emergency Routes whenever a Snow Emergency has been declared by the State Highway Administration or the Maryland State Police. Parking is prohibited until the Snow Emergency is lifted and the streets are cleared of snow. The parking prohibition applies to all vehicles including towed vehicles such as trailers and campers. Having the streets clear of parked vehicles during snow events allows the Town crews to clear the snow quickly and is safe for both Town residents and staff.

Please be advised that Maryland Transportation Article 21-1119 authorizes law enforcement officers to ticket and tow vehicles parked on snow emergency routes when a snow emergency is declared. Violators of this transportation article could be fined and will also be responsible for the tow bill, if the vehicle is in fact towed.

When a snow emergency is declared by the State Highway Administration, the Town of New Windsor will post the declaration on the Town's Website and Facebook page. Please remember to stay educated during snow events.

Whenever you hear the weatherman call for snow, play it safe and just remove your vehicle from the street so you are not burdened later with costs associated with violations.

Help Us Save the Story of New Windsor

New Windsor is a small town with a big history, and the New Windsor Heritage Museum is dedicated to preserving and sharing that history with our community and future generations.

Unfortunately, the museum recently suffered flood damage and is currently closed while renovations and repairs continue. We have also lost the rental income from our tenant, our only regular source of income during this difficult time. As a small, volunteer-run 501(c)(3) nonprofit, we need your help to keep our mission going.

Small Town with a Big History

We look forward to reopening when renovations are complete, with museum hours on Saturdays from 10 am to 1 pm.

Celebrate America's 250th at our Liberty & Legacy Ball!

Join us for our major fundraiser of the year on **Saturday, December 12, 2026** from 7 pm until 10 pm at St. Paul's UCC in Westminster.

Enjoy historical dance instruction, live music, light hors d'oeuvres, a photographer, and beer and wine available for purchase. We encourage guests to dress in clothing inspired by any era of U.S. history and make the evening a celebration of America's past!

Tickets are available at www.newwindsorheritage.org or by scanning the QR code on the ball flyer (right).

As a 501(c)(3), we are always grateful for tax-deductible donations, and we are always looking for volunteers to join us in our mission.
